

Join us for our Annual Open House

The SAE School welcomes our friends, families and community to be a part of a rich environment geared towards discovering, nurturing and protecting each child's individual life and academic journey.

You are invited to join us on Saturday, January 28th, 2023 from 9:30am to 12:30pm at The SAE School, located at 6688 Mableton Parkway, Mableton GA, 30126 for our annual open house. Applicants are invited to attend for a glimpse into our classrooms from preschool to 8th grade.

Administrators, admissions representatives, faculty, and parents of current SAE students will be on hand to discuss the various programs and opportunities our students enjoy. The open house will be a self-guided event. Children are welcome to attend with their parents/guardians. This is the perfect way for interested families to learn first-hand about the special place we have created here at The SAE School.

If you have additional questions, please don't hesitate to contact Ms. Charlotte Berrien, Director of Admissions, by email at admissions@saeschool.org or phone at 678-239-3202.

We look forward to you joining our growing community of confident learners!
